

# 4Vu Privacy Screen Filter for Dell Venue Pro 11

AST002USZ

## Overview

Meeting new standards in privacy protection, Targus 4Vu Privacy Screens ensure your valuable information is kept private without compromising screen clarity.

**90° Angle Viewing Window** – Data is only visible to person directly in front of the screen and up to 45° on each side. Onlookers will only see a dark unclear screen when attempting to view the information from a side angle.

**Low-Reflective Coating** – Reduces glare and improves light transmittance for an improved viewing experience.

**SKANETM M-8 Anti-Microbial** – Prevents degradation and is ideal for touch screen devices.

**Easy Installation** – Hassle-free installation using adhesive strips, designed to stick onto screens. Plus, the clear adhesive does not impede view.
